Dear Friend:

I have received letters from Mr Allen in your town about a game, but I decided to write you as we have done business before. Are you both working with the same team? I assume you are as the stationery is the same.

We are training in Richmond Va. and have promised to play in Knoxville Sunday the 22nd April. In looking at the map, I see it is a long trip, so I am writing to ask if you would like us to play a game in Winston Salem on our way there. It would have to be Friday April 20th, as we would have to have Saturday to travel.

I will appreciate hearing from you right away, as the time is drawing near. If we arrange the game, would you want me to order the window cards. If so send me the information to go on them, and how many you would need. Will we be able to find some place for the ballclub to stay.

Please let me hear from you right away.

Very Truly Yours
